LETTER OF
ATTAINMENT

This is to certify that

Denis Karani Waweru

has successfully completed the
Entrepreneurship Lab (E-Lab) 2022
- an entrepreneurship program focused on the Learning Outcomes below.

LO1 Identify and explain ALU's 14 grand challenges and great opportunities using multidisciplinary perspectives in your own voices
LO2 Identify ways in which different challenges and opportunities are interconnected as they manifest in diverse African contexts
LO3 Define and articulate a mission based on one or at the intersection of two/three of ALU's 14 grand challenges and great opportunities
LO4 Apply different approaches to gain insight into complex problem(s)
LO5 Articulate the importance of integrating sustainability and stewardship into design methodologies for complex problem solving
LO6 Define cooperative strategies that make teamwork effective and kind
